ORCHESTRA AND BAND TO FURNISH NECESSARY MUSIC

Spring carnival to be celebrated tonight with an open-air masquerade dance will draw hundreds of people from the nearby resorts to Daytona to participate in the unique affair. With hundreds of visitors from every state in the union now in the city, who plan to attend the dance, the festival tonight promises to be the biggest and gayest event yet given in Daytona.

Michael Shultz, chairman of the committee in charge of the arrangements, has arranged with the city commissioners to have the streets roped off from Orange to Magnolia avenues and [illegible]. The DeLand band will come over to augment the Daytona bands and there will be music galore. Music in the Casino Burgoyne for those who prefer indoor dancing and music in the street for those who dance outdoors.

And who will want to dance under a roof, when it is possible to dance out under the sky? To add to the gaiety, the revelers will come masked, and many will be in costume. Costumes of every description, from the popular Charlie Chaplin make-up to gay Pierrots and Pierrettes. Everybody is invited and from the enthusiasm heard on every side, everybody apparently expects to attend.

The festival tonight will be the first affair of its kind ever held in Daytona. The street revels of the New Orleans Mardi Gras have been famous for years. In Florida, Tampa and Jacksonville have featured the dance with most successful results. Looking at the splendidly smooth asphalt pavement of beach street, flanked by the Halifax and beautifully lighted, the visitor wonders why street dances have not been given in Daytona long ago.

Tonight hundreds of lovers of Terpsichore will be given the opportunity to trip the light fantastic under the stars, with only a moonlight sky for [illegible].

[illegible] two splendid orchestras [illegible] music for the dancers [illegible] Beach street for tonight will be a [illegible] of gaiety. The Esplanade [illegible] will be a [illegible] peopled by a crowd of joyous [illegible], whirling in the mazes of the dance. Dancing will commence [illegible] and continue until the last [illegible] leaves the street. Whether the dancers come in costume and masked will be optional with them. [illegible] indications are that masquerade fancy dress will be the order of the night. Dancing will be free to all, regardless as to whether or not [illegible].

Nothing has been left undone to make the festival perfect in each detail. The committee in charge of the arrangements has for the past two weeks made innumerable plans to make Daytona's spring carnival [illegible] of its kind ever held in the state, and with an invitation extended to everybody to participate, the fete cannot fail to be all that the enthusiastic merrymakers expect [illegible].

Bryan Will Ask Congress to Apply His Peace Plan to Differences with Germany

MIAMI, March 29.—William J. Bryan has addressed an appeal to Congress urging that an attempt be made to obtain a suspension of Germany's submarine campaign through the application of the so-called Bryan peace plan providing that the investigation of disputes between nations be settled by an international tribunal.

He also asks that if Congress concludes that nothing but war will satisfy the nation's honor, that it consult the people through a referendum.

He says, in his appeal, that before taking a step which might mean the signing of the death warrants of thousands that Congress ought to consider that the wrongs it seeks to punish are not directed primarily against the United States but against nations with which the offenders are at war.

ACTION TODAY WAS CLIMAX TO ROBBERY

The First National Bank of Daytona suspended business at approximately 1:00 o'clock this afternoon, after Cashier George L. Branning had communicated with the national bank examiner in Jacksonville. The primary cause of the suspension was attributed to the gradual withdrawal of deposits since the recent robbery, which greatly exceeded the expectations of the bank officials. The decision to suspend business was acted upon with a view to conserving the best interests of the depositors. It is understood that a re-organization scheme is under way which will prevent any loss to depositors.

The following signed statement of Cashier Branning was issued to the News late this evening:

"On account of the circulation and publication of rumors and harmful reports concerning the First National bank, which have caused heavy withdrawals, it has not been found possible to continue its uninterrupted operation; therefore, in order to best conserve the interests of its depositors, which is its chief concern, the board of directors has placed its affairs in the hands of the national bank examiner.

"Arrangements are well under way for the organization of a new bank, which it is expected will take over the assets of the First National bank and pay off its depositors in full—a hundred cents on the dollar. But the process of doing this could not operate rapidly enough to avoid the temporary closing of the First National.

"Strong financial interest has been interested in working out the situation for the interest of all concerned, especially the depositors, and it is thought this line of action will conserve their interests to the greatest possible degree; and that the depositors will be paid in full inside of 60 days—the earliest date the new bank can begin operations.

"GEO BRANNING, Cashier."

J. S. Pike, the representative of the Comptroller of the Currency, will arrive in the city on tonight's train, due to arrive at 5:10.

President J. J. Randall in a brief statement declared that the bank officials had been in daily touch with the banking authorities and that department had been furnished with daily statements of withdrawals and deposits since the robbery. It is President Randall's expressed opinion that de-

WOMAN ADVANCE AGENT TO SPEAK AT ARCADE

Inez Hart, the girl who is driving from coast to coast and playing her electric calliope in all cities on the way, will appear here at the Arcade theatre on two days, Friday and Saturday, advertising the Gaumont picture, "The Black Triangle," on the first day and "The Life of Charlie Chaplin" on Saturday.

Miss Hart was advertising for the Triangle Film company, through the eastern part of the country last year and came to Florida for a short winter stay. She is now on her return to the north.

She is a cousin of the now famous Ina Claire, who will be remembered as one of the leading ladies in "Ziegfeld's 1916 Follies," and later in the Paramount program with Lasky features.

Miss Hart has received front page stories in many of the larger newspapers of the country and in Canada as being the only lady advance agent on the road for a New York production.

"The Life of Charlie Chaplin," is a four reel feature and has just had a very successful run in Jacksonville. It starts with the first release of Chaplin and ends with his latest.

Today's attraction at the Arcade is Marguerita Fischer, in "Miss Jackie of the Navy," a five reel story full of fun and thrills.

After a delightful winter in Seabreeze at the Princess Issena, Mr. and Mrs. O. H. Cunningham, of Montclair, N. J., went to St. Augustine yesterday, where they will stop several days on their way northward.

Mr. and Mrs. W. H. Whitten and Miss Jesica Whitten, well known society people of Grand Rapids, Mich., drove up from Miami Tuesday and are guests at the Prince George hotel while in Daytona.

"SAPHO."

Hugh Ford, who directed the Famous Players-Paramount adaptation of Daudet's classic "Sapho," in which the talented Pauline Frederick is starring, found the screen interpretation of "Sapho" one of the most interesting in all his varied experience. "A thorough study of the original story as well as an investigation of the methods employed in the stage version convinced me," he said, "that we would have to effect certain important changes in the construction of the screen play. To this end we have tried to lighten every tragic or especially dramatic part of the story with little touches of humor. Also, the ending, which in the original was rather dramatic and left an unpleasant impression of the whole production, has been changed completely and we have made Sapho, who in the book simply continued her former mode of life after leaving the young Jean Gaussin, instead of doing this, turn Red Cross nurse and devote the rest of her life to ward doing good and making reparation as far as possible for her early dissipation. Miss Frederick has given a marvelous interpretation of this character and we are sure that her thousands of admirers will find this one of the best, if not quite the best picture in which this famous star has ever appeared."

"Sapho" is the Paramount Picture at the Crystal theatre Friday.

THEDA BARA IS AFRAID OF A MOUSE

Miss Theda Bara, the popular star of the Fox photoplays, is supposed to be a girl of great boldness—a vampire, a vixen, and many other things equally unpleasant. She is often understood as being hard hearted, cruel, selfish, not afraid of anything—a partner of Satan, as it were.

A few days ago, while engaged in the production of "The Darling of Paris," she discovered a mouse in her dressing room at the Fox studios, at Fort Lee. The moment her eyes got a glimpse of the intruder she screamed at the top of her voice, calling for help. Herbert Heyes, who was in the adjoining room, heard her call and went immediately to her rescue. He thought someone might be trying to kill her, but much to his astonishment he found Miss Bara standing on the highest chair so overcome with fear that she was almost speechless. She pointed to a box in which there were sweets. Mr. Heyes overturned it and out jumped a mouse. She was greatly relieved when her rescuer threw the wee bit of a rodent through the window into the grounds. Is this not convincing evidence that Miss Bara is not unlike other women?

Miss Bara will appear at the New Daytona Friday in "The Darling of Paris."

Mr. and Mrs. W. E. Diefendorf and Mr. and Mrs. Wm. J. Diefendorf of Fort Plain, N. Y., left Tuesday on their return north. Mr. and Mrs. W. E. Diefendorf have been coming to Daytona for the winter for a number of years past and were guests this season at the Morgan hotel. Mr. and Mrs. Wm. J. Hallock and Irving Knowlton, of Millers Place, Long Island, N. Y., well known winter residents of this city.

Mr. and Mrs. Geo. H. Howard of Malone, N. Y., well known winter visitors for a number of years and season guests at the Ridgewood hotel, departed this morning on their return north. Mr. and Mrs. Howard are leaving earlier than usual owing to the fact that both their son and son-in-law, L. George Howard and Capt. A. L. Marshall, who are members of Company K, the crack military company of Malone, had gone with the company to Poukeepsie to guard the water works system. Capt. Marshall is in command of the company.

Oh, So Sweetly.

The young women present were discussing their ages. And one of the girls said: "I don't know what it is about my appearance, but everybody always guesses me a lot younger than I really am." And another of the girls answered, oh, so sweetly: "Oh, that's after they have heard you talk, isn't it, dear?"

FIRST NATIONAL BANK SUSPENDED BUSINESS

(Continued from Page One.)

positors will receive 100 cents on the dollar.

The First National Bank was one of the sub-depositories for Volusia county and for the Halifax District Road fund, but these deposits are amply protected by personal bonds of responsible men connected with the First National Bank.

The First National Bank was shown to be in excellent financial condition at the close of business March 5 last, the sworn report to the Comptroller of the Currency showing resources aggregating more than a half a million dollars and a capital and surplus of $56,346.26, with deposits of considerably more than $400,000.

WRITES OF ROAD CONDITION FROM HERE TO ATLANTA

The following letter from Wm. R. Cunningham of Des Moines, Iowa, was received by B. R. Vardaman, also of Des Moines, who has been spending the winter at 446 South Beach street. It will be interesting to those planning a northern trip by auto this spring:

Atlanta, Ga., March 27, 1917.

Ben R. Vardaman,
446 South Beach St.,
Daytona, Fla.
Dear Sir:

We arrived here from Macon [illegible]. When out from Macon about ten miles we met a car coming back and the driver told us that we could not get through, but we came on and we got through all right, though we saw a number of cars stuck in the mud.

We did not stop at Atlanta but drove on through to Marietta about [illegible] miles north of Atlanta. There we stopped for the night and when we were ready to start the next morning the rain was pouring and after driving about [illegible] miles we came to a place where they had been working the road and we drove into the soft mud [illegible] ran over the running board. Then we backed out and came back to Atlanta to wait until the rain lets up, then we will go on to Rome, Ga., then to Huntsville, Ala., and on to Nashville, Tenn. The road from Chattanooga to Nashville is impassable and the detour to Huntsville is the only way to get through from Jacksonville to the north via Atlanta.

We drove from Daytona to Jacksonville, where we found the roads in fine shape—then we went on through Folkston, Waycross, Hawkinsville and Macon. We found the road from Jacksonville to Waycross fairly good, but there has been a great deal of rain up in this part of the country and the roads are muddy all the way from Waycross, but we got through to Macon without a bit of trouble.

We were told at Jacksonville that we could not get through by Waycross at all, and I found that some tourists have gone up the east coast via Savannah and on to Washington. As a result of this information, also I think that it would be a kindness to our fellow tourists, who want to go north and west, if you would give this letter to the Daytona Daily News, as there are a great many who would like to have reliable information about the roads this way.

I will write you later when we get further along.

Yours truly,
WM. R. CUNNINGHAM.

Mr. and Mrs. Cunningham left last week to drive home and Mr. Vardaman and family will leave the early part of April.

FOUR CASES IN POLICE COURT

Four cases were brought up in city police court this morning before Judge Henry T. Titus.

E. P. Smith pleaded not guilty to a charge of reckless driving by running into a negro [illegible] and smashing the wheel. It was clearly proved that Mr. Smith had been in error in the way he operated the auto although he had not been reckless. He was fined $10 to pay for the damage to the buggy.

Butler Wells and Sam Morgan, both negroes, were fined each $10 and costs for disturbance of the peace.

The hostess, Mrs. Minnis, was gowned in a yellow, lace spangled [illegible] cloth of gold mounted on [illegible].

Many congratulating telegrams and [illegible] were received by the happy couple.

DAYTONA BEACH

To the delight of local fishermen the large channel bass are beginning to bite around the ocean pier. Two fine specimens weighing seven and 12 pounds, were caught yesterday.

Work will start on the repairing of the Keating ocean pier within a few days. The contract for the work has been let to a local contractor and it is hoped to have the 200-foot extension to the pier and the 40 new bath houses completed as soon as possible.

David Carter, of Holly Hill, has been engaged in tearing down his small building which stood just north of the pier and which was used last summer as an ice-cream parlor. The removal of this building takes away one of the eyesores along the beach front.

Mr. and Mrs. M. Caley and daughter, Miss Marguerite, who have been spending the winter in the Indiana cottage on Atlantic avenue, left Wednesday morning on their return north to their home in Laporte, Mich. These pleasant people have very much enjoyed their winter at the beach. They hope to return next year for another fine season. They are making the trip north by automobile.

Mr. and Mrs. R. S. Cuthbertson and charming daughter, Miss Ida Cuthbertson, left this morning for their home in Pontiac, Mich. They have been spending the winter at Daytona Beach, pleasantly located in the Indiana cottage on Atlantic avenue with their relatives, Mr. and Mrs. Caley and daughter. The Cuthbertsons hope to come back again next winter as they enjoyed such a pleasant season.

A large group of picnickers consisting of Mr. and Mrs. W. M. Simmons, [illegible] Simmons, J. B. Statement

Of the German-American Society of Daytona to the Citizenship of the Commonwealth

In view of persistent statements that a pernicious propaganda is being carried on in this community to create suspicion and prejudice against the membership of this society in order that their loyalty to this country and its duly constituted authorities and institutions might be gravely questioned this the German American Society of Daytona, herewith places before the citizenship of this commonwealth the following statement:

This society was organized in the spring of the year 1913, and applied for a charter to the State of Florida during December 1913, which charter was granted and received in February, 1914.

In August, 1914, the European war broke upon the world like a thunderbolt out of a clear sky. No one at that time, and certainly not up to within the past six months, ever dreamed that there existed the remotest possibility that the Republic of these United States would be drawn into this tremendous cataclysm. Today we are facing the undeniable possibility that within a week, we as a nation, may be at war with one of the great European belligerents, the Empire of Germany. In view of this possibility the membership of the German-American Society, of Daytona, deems it timely and appropriate to place themselves on record before their fellow citizens and the bar of public opinion.

Paragraph two of the constitution and by-laws, under which a charter was granted by the State of Florida to this society is as follows:

AIMS AND OBJECTS OF THE SOCIETY.

"The aims of this society shall be the cultivation of the physical and intellectual development of its membership, to encourage the growth of the City of Daytona, and its neighborhood, and to entertain the visitors of German birth or origin, who may from time to time, visit this part of the state."

To this object we have steadfastly adhered. While not organized for charitably purposes, we have reached out a helping hand whenever a worthy cause was brought to our notice. Men and families who had been defrauded in the purchase of worthless land in this county and which they had to abandon and were made helpless because of their ignorance of the English language and the law punishing fraud, were given the means to go elsewhere. Whenever calls were sent out for money by trustworthy committees or organizations to raise funds for the advancement of our commonwealth, the name of this society was always entered with a substantial cash contribution. Nor have we overlooked the little children of the poor in our efforts to bring cheer into the places of the neglected and needy.

The membership of this society is threefold in character, namely: active, passive and visiting membership. The qualification for active membership is command of the German language. The passive membership is composed of all acceptable applicants after due inquiry as to their moral worthiness. Visiting membership can be obtained only by recommendation and introduction by members in good standing who will vouch for their good conduct. To these is issued a visiting membership card of one months duration and if not found worthy of this privilege, is withdrawn. No one a resident of Volusia county can become a visiting member. Among the passive membership are many of other nationalities not German besides many native born Americans.

The qualifications for membership is not based upon religious or political preferences, hence we have among us men of all shades of religious opinions; Roman catholics, protestants of all creeds and of no creed. Politically some are republicans, others are democrats, others socialists or independents. But above all and through all we are CITIZENS OF THESE UNITED STATES, hence AMERICANS. To this we pledged ourselves when we took the oath of allegiance and foreswore all "allegiance to any foreign prince or potentate and particularly the Emperor of Germany."

We would like to drive home the foregoing fact into the minds of those crack-brained rabbit-souled individuals, of high or low degree, who go about this neighborhood endeavoring to create suspicion and organize antagonistic propaganda against our membership individually or collectively.

We would desire herewith to drive home another fact that other citizens of foreign extraction have forsworn THEIR allegiance to King George of England, the governments of France and Russia, and if during this fearful war their heartfelt sympathies go out to the suffering and afflicted of the country of their origin, they should realize that a like sympathy permeates the souls of those of German origin and descent.

We are citizens of this community of long years standing. Are owners of property and engaged in active, lawful pursuits, and contribute a not inconsiderable part in the upbuilding of this country and constitute part of the constructive forces which make for the betterment and improvement of those communities in which we live with our families and children.

Our meetings have been held in the open at all times to all the membership and our social gatherings to all well behaved strangers within our gates; and during each season hundreds have availed themselves of this privilege, for besides the Burgoyne Casino, the rooms of the German-American Society, of Daytona, have been the only place where visiting strangers might come and feel at ease. They find upon entrance to our hall the most conspicuous emblems displayed are the "Stars and Stripes." Among our visitors are many Germans who wear the emblem of the Grand Army of the Republic. And let it be known to those little, warped souls who would now create public antagonism against us, that hundreds of thousands of Germans under able German generalship fought for the maintenance of the union of these United States at a time when the nationals of another country shirked their manifest obligations.

In conclusion we would say to those who profess to be afraid of everything German, and who fear that these United States are in danger of an invasion by the Kaiser and his troops—that the President of the United States is calling for troops and the secretary of the navy is calling for men to man the battleships of our navy, they should tender their services without delay at the nearest recruiting station. As for ourselves we hold ourselves in readiness for any call of duty the State of Florida, or the government of the United States may make upon us to attest our devotion to our adopted country.

Resolved, that a copy of the foregoing be tendered the press of this city and paid for from the funds of this society and that a copy of same be forwarded under the seal of this society to the governor of Florida.

ERNST KREITZBERG,
President.

COL. AND MRS. MINNIS HAVE GOLDEN WEDDING

A very happy occasion took place Wednesday afternoon when Col. and Mrs. John Minnis celebrated their 50th or golden wedding anniversary at their attractive home on Peninsula drive.

Dr. and Mrs. Charles Frederic Goss, of Cincinnati, O., Mr. and Mrs. A. Ayers, of Lansing, Mich., Mr. and Mrs. H. J. Ranslow, Dr. Hiram Hunt, of Tampa, Mrs. Cora Powell, and Mr. and Mrs. Thos. R. Simpson, of Daytona Beach, and Mrs. J. M. Thornburgh, of Knoxville, Tenn., who has been visiting at the Minnis home for some time—all of the above assisted in entertaining the 75 guests who called.

The hostess, Mrs. Minnis, was dressed in a yellow, lace, spangled net, over cloth of gold mounted on white taffeta.

Many congratulating telegrams and letters were received by the happy couple.

Mr. and Mrs. Minnis have been living at the beach every winter for the past four years, first having a small bungalow on Grandview avenue and two years ago, purchasing their present Marshall park property and having a comfortable home erected.

SEABREEZE

J. H. Gallagher, of St. Louis, Mo., who has been spending the past three weeks at a local hotel, left this morning for New York City. Mr. Gallagher will return after a two weeks business trip to the great metropolis.

H. W. Drake, who has been a popular clerk in a local grocery store during the winter past, and who is a well known resident of the beach during a part of the year, left Wednesday morning for the North to start on his spring trip as traveling representative for a large shoe company. Mr. Drake's many friends here wish him success and will be glad to know of his return. He will probably be absent for four or five months.

The Seabreeze high school is making plans for a line of march which the entire school will make on the day that it moves from the old building to the new structure on Grandview avenue at Earl street. The high school ranks will be easily distinguished by the gay silver and gold ribbons to be worn by each student.

DAYTONA BEACH

To the delight of local fishermen the large channel bass are beginning to bite around the ocean pier. Two fine specimens weighing seven and 12 pounds, were caught yesterday.

Work will start on the repairing of the Keating ocean pier within a few days. The contract for the work has been let to a local contractor and it is hoped to have the 200-foot extension to the pier and the 40 new bath houses completed as soon as possible.

David Carter, of Holly Hill, has been engaged in tearing down his small building which stood just north of the pier and which was used last summer as an ice-cream parlor. The removal of this building takes away one of the eyesores along the beach front.

Mr. and Mrs. M. Caley and daughter, Miss Marguerite, who have been spending the winter in the Indiana cottage on Atlantic avenue, left Wednesday morning on their return north to their home in Lapeer, Mich. These pleasant people have very much enjoyed their winter at the beach. They hope to return next year for another fine season. They are making the trip north by automobile.

Mr. and Mrs. R. S. Cuthbertson, and charming daughter, Miss Ida Cuthbertson, left this morning for their home in Pontiac, Mich. They have been spending the winter at Daytona Beach pleasantly located in the Indiana cottage on Atlantic avenue with their relatives, Mr. and Mrs. Caley and daughter. The Cuthbertsons hope to come back again next winter as they enjoyed such a pleasant season.

WILBUR BY THE SEA

WILBUR-BY-THE-SEA, March 28.—Mrs. Lewis P. Sibley, of New York City, was given a farewell party at the Toronita hotel on Wednesday afternoon. A handsome guest's prize was awarded to Mrs. Sibley. After the merry group played bridge, an informal hop was enjoyed followed by a special dinner course.

Those who are fond of bathing may be seen on the beach early in the morning at Wilbur-by-the-Sea, and of late floating on large inner tubes seems to be the fad, much to the amusement of all.

Among the recent auto parties who lunched at the Toronita were Mr. and Mrs. Milne, London, Canada; Fred Calls and Mrs. and Miss Rundle, of Illinois.

A hapy group of picnickers consisting of Mr. and Mrs. W. H. Simmons, Ruth Simmons, J. D. Harrison and Marie Climer, visited Spruce creek Monday and were very successful with the rod and reel. Mr. Simmons proudly returned with a string of fish which would make any expert fisherman green with envy. Many views were taken with their cameras to refresh their pleasant memories on their return home.

Several farewell parties are being given at the Toronita hotel in honor of departing guests.

It is extremely gratifying to the management of the Toronita hotel to receive so many advance reservations for next year, and Miss Frances D. Piper feels repaid for her earnest efforts to entertain her guests in a creditable manner.

Statement

Of the German-American Society of Daytona to the Citizenship of the Commonwealth

In view of persistent statements that a pernicious propaganda is being carried on in this community to create suspicion and prejudice against the membership of this society in order that their loyalty to this country and its duly constituted authorities and institutions might be gravely questioned this the German American Society of Daytona, herewith places before the citizenship of this commonwealth the following statement:

This society was organized in the spring of the year 1913, and applied for a charter to the State of Florida during December 1913, which charter was granted and received in February, 1914.

In August, 1914, the European war broke upon the world like a thunderbolt out of a clear sky. No one at that time, and certainly not up to within the past six months, ever dreamed that there existed the remotest possibility that the Republic of these United States would be drawn into this tremendous cataclysm. Today we are facing the undeniable possibility that within a week, we as a nation, may be at war with one of the great European belligerents, the Empire of Germany. In view of this possibility the membership of the German-American Society, of Daytona, deems it timely and appropriate to place themselves on record before their fellow citizens and the bar of public opinion.

Paragraph two of the constitution and by-laws, under which a charter was granted by the State of Florida to this society is as follows:

AIMS AND OBJECTS OF THE SOCIETY.

"The aims of this society shall be the cultivation of the physicial and intellectual development of its membership, to encourage the growth of the City of Daytona, and its neighborhood, and to entertain the visitors of German birth or origin, who may from time to time, visit this part of the state."

To this object we have steadfastly adhered. While not organized for charitable purposes, we have reached out a helping hand whenever a worthy cause was brought to our notice. Men and families who had been defrauded in the purchase of worthless land in this county and which they had to abandon and were made helpless because of their ignorance of the English language and the law punishing fraud, were given the means to go elsewhere. Whenever calls were sent out for money by trustworthy committees or organizations to raise funds for the advancement of our commonwealth, the name of this society was always entered with a substantial cash contribution. Nor have we overlooked the little children of the poor in our efforts to bring cheer into the places of the neglected and needy.

The membership of this society is threefold in character, namely: active, passive and visiting membership. The qualification for active membership is command of the German language. The passive membership is composed of all acceptable applicants after due inquiry as to their moral worthiness. Visiting membership can be obtained only by recommendation and introduction by members in good standing who will vouch for their good conduct. To these is issued a visiting membership card of one months duration and if not found worthy of this privilege, is withdrawn. No one a resident of Volusia county can become a visiting member. Among the passive membership are many of other nationalities not German besides many native born Americans.

The qualifications for membership is not based upon religious or political preferences, hence we have among us men of all shades of religious opinions; Roman catholics, protestants of all creeds and of no creed. Politically some are republicans, others are democrats, others socialists or independents. But above all and through all we are CITIZENS OF THESE UNITED STATES, hence AMERICANS. To this we pledged ourselves when we took the oath of allegiance and foreswore all "allegiance to any foreign prince or potentate and particularly the Emperor of Germany."

We would like to drive home the foregoing fact into the minds of those crack-brained rabbit-souled individuals, of high or low degree, who go about this neighborhood endeavoring to create suspicion and organize antagonistic propaganda against our membership individually or collectively.

We would desire herewith to drive home another fact that other citizens of foreign extraction have foreswore THEIR allegiance to King George of England, the governments of France and Russia, and if during this fearful war their heartfelt sympathies go out to the suffering and afflicted of the country of their origin, they should realize that a like sympathy permeates the souls of those of German origin and descent.

We are citizens of this community of long years standing. Are owners of property and engaged in active, lawful pursuits, and contribute a not inconsiderable part in the upbuilding of this country and constitute part of the constructive forces which make for the betterment and improvement of these communities in which we live with our families and children.

Our meetings have been held in the open at all times to all the membership and our social gatherings to all well behaved strangers within our gates; and during each season hundreds have availed themselves of this privelege, for besides the Burgoyne Casino, the rooms of the German-American Society, of Daytona, have been the only place where visiting strangers might come and feel at ease. They find upon entrance to our hall the most conspicuous emblems displayed are the "Stars and Stripes." Among our visitors are many Germans who wear the emblem of the Grand Army of the Republic. And let it be known to those little, warped souls who would now create public antagonism against us, that hundreds of thousands of Germans under able German generalship fought for the maintenance of the union of these United States at a time when the nationals of another country shirked their manifest obligations.

In conclusion we would say to those who profess to be afraid of everything German, and who fear that these United States are in danger of an invasion by the Kaiser and his troops—that the President of the United States is calling for troops and the secretary of the navy is calling for men to man the battleships of our navy, they should tender their services without delay at the nearest recruiting station. As for ourselves we hold ourselves in readiness for any call of duty the State of Florida, or the government of the United States may make upon us to attest our devotion to our adopted country.

Resolved, that a copy of the foregoing be tendered the press of this city and paid for from the funds of this society and that a copy of same be forwarded under the seal of this society to the governor of Florida.

ERNST KREITZBERG, President.

HARRY GARTNER, Secretary.

TWO HOTEL ORMOND GUESTS CELEBRATE DOUBLE BIRTHDAY

HOTEL ORMOND, March 28.—Two tables at the Ormond hotel were the scenes of festivity last night and looked very handsome with their lovely decorations of flowers, to say nothing of the beautiful gowns of the ladies. The occasion was the respective birthdays of two of the guests of the Ormond, namely that of Mrs. J. D. Price, of Hammock Home, Ormond Beach, who was tendered a dinner by Mrs. E. W. Currier, of Lynn, Mass., and A. B. Wallace, of Springfield, Mass., who is building the very beautiful residence on the river front just north of the Ormond hotel, and who celebrated his birthday by giving a dinner to several of his friends. Auction and bezique were played afterwards and judging from the sounds of merriment, both parties had a very pleasant time.

The many friends of Mrs. E. W. Freeman, of Riverside-on-the-Hudson, were delighted to welcome her back to the Ormond last night. Mrs. Freeman, with the officers and members of the band which was occupied by Mr. Lindsay, of Rochester, N. Y., and his family this winter.

Much interest is being shown in the musical which is to be given next Monday afternoon in behalf of the music fund for the south school, money to be used for victrola. John E. Haffy, of Cleveland, O., is registered at the Prince George for a stay in Daytona on his way northward. Mr. and Mrs. August Zwierlein, of Cleveland, O., who came to Daytona early in January to spend the season at Schmidt's hotel, left yesterday for the north. "We only wish we might prolong our stay another month," Mr. Zwierlein said when leaving. "However, we will be among the earliest visitors again next year."

Completing a several weeks stay at the Princess Issena John S. Watson, and daughter, Mrs. James Pollak left yesterday for their home in Fargo, N. D. The two found Seabreeze an ideal place in which to winter and leaving made plans to return earlier next season.

Everyone at Schmidt's hotel was sorry to say good bye to Mr. and Mrs. Henry Meyer, of Brooklyn, N. Y., who left for home after a season's visit at the hotel.

Mr. and Mrs. E. Platt Stratton, of New York, who have been season guests at the Ivy Lane Inn, departed on Wednesday for Washington where they will remain for a lengthy visit before returning to New York. While at the Inn, Mr. and Mrs. Stratton were very popular among the guests, and their departure is sincerely regretted. MRS. WESTINGHOUSE GUEST AT CLARENDON EN ROUTE NORTHWARD

Mrs. Henry Herman Westinghouse, wife of the famous inventor, is a distinguished guest at the Clarendon en route north from resorts south of Southeastern. Perhaps the most eminent figure in the mechanical engineering profession, Mr. Westinghouse's fame is international. Characteristic of the spirit of American achievement that has made the United States one of the great world powers, Mr. Westinghouse has won his present place among the big personalities of the day through a series of brilliant accomplishments. With his invention of the Westinghouse single acting steam engine, he contributed a device of inestimable value to the engineering field. Having been in every department of the Westinghouse Air Brake company, the well known inventor is today president of the American, Canadian, London and Russian departments of the great concern, and a member of several notable societies, which include the American Academy of Political and Social science. Mrs. Westinghouse is one of the most charming of the New York society women and is an important factor in club and philanthropic circles of the metropolis. Accompanied by Mrs. C. W. Fletcher and little son, Herman Fletcher she will spend several days at the Clarendon before continuing her way to New York. The party are traveling by automobile.

Coming to remain until the end of the season, Miss L. L. Nestell, of Newark, N. J., and Miss Morris, of Springfield, Mass., were among the Tuesday arrivals at the Clarendon.

Mr. and Mrs. George H. Warren and Mr. and Mrs. Frank M. Warren, of Minneapolis, Minn., and Miss Mary C. Perkins, of Burlington, Mass., who were guests at the Hotel Clarendon earlier in the season are again at the resort for a few days. The party are on their way north from Miami.

Mr. and Mrs. W. O. Briggs and little son Billy Briggs and governess, Mr. and Mrs. H. W. Yawkey and Miss Emma Austin were a group spending yesterday on the Tomoka river trip. The picturesque river was never lovelier and the outing proved an allnotable delightful one.

Mr. and Mrs. W. A. Dunn, of Peoria, Ill., were luncheon guests of Mr. and Mrs. A. E. Ache, of Brooklyn, N. Y., who are late guests at the Hotel Clarendon.

Late guests who expect to spend the first part of April at the Clarendon are Mr. and Mrs. John W. Green, well known society people of Knoxville, Tenn.

Taking hampers filled with delectable picnic luncheons Mr. and Mrs. F. F. Proctor and Miss Stella Riley, of Larchmont, N. Y., made the Tomoka river trip yesterday. The beauty of the famous river proved a revelation to the northern visitors.

The automobile contingent at the Clarendon was augmented Tuesday by the arrival of M. C. Honeywell and Miss Edith Yates, of Wabash, Ind. The four are delighted with the local drives and expect to prolong their visit in order to enjoy the many picturesque highways around Ponce de Leon.

Mrs. C. S. MacFarland, of Mountain Lakes, N. J., and two children are enjoying a several days stay at the Clarendon on their return northward from the more southern resorts.

Mr. and Mrs. J. A. Taylor, of Atlantic City, N. J., are among the late occupants of the Clarendon en route north, after spending the winter at points south of Seabreeze.

The Lotus grill was the scene of several delightful dinner parties Thursday night, the largest of which was that given by Mr. and Mrs. E. L. Porter who entertained twelve guests.

CLARENDON ARRIVALS

Mrs. Wells and children will remain at the Deupland until the close of the season.

Mr. and Mrs. J. B. Taylor and attendants, of Watertown, N. Y., who have been guests at the Ridgewood for the past ten days, went to St. Augustine on Tuesday to spend a short time at the Ponce De Leon ere returning north after a pleasant winter spent at points of interest in Florida. MRS. WESTINGHOUSE GUEST AT CLARENDON EN ROUTE NORTHWARD

Mrs. Henry Herman Westinghouse, wife of the famous inventor, is a distingueshed guest at the Clarendon en route north from resorts south of Seabreeze. Perhaps the most eminent figure in the mechanical engineering profession, Mr. Westinghouse's fame is international. Characteristic of the spirit of American achievement that has made the United States one of the great world powers, Mr. Westinghouse has won his present place among the big personalities of the day through a series of brilliant accomplishments. With his invention of the Westinghouse single acting steam engine, he contributed a device of inestimable value to the engineering field. Having been in every department of the Westinghouse Air Brake company, the well known inventor is today president of the American, Canadian, London and Russian departments of the great concern, and a number of several notable societies, which include the American Academy of Political and Social science. Mrs. Westinghouse is one of the most charming of the New York society women and is an important factor in club and philanthropic circles of the metropolis. Accompanied by Mrs. C. W. Fletcher and little son, Herman Fletcher, she will spend several days at the Clarendon before continuing her way to New York. The party are traveling by automobile.

Coming to remain until the end of the season, Miss L. L. Nerfell, of Newark, N. J., and Miss Morris, of Springfield, Mass., were among the Tuesday arrivals at the Clarendon.

Mr. and Mrs. George H. Warren and Mr. and Mrs. Frank M. Warren, of Minneapolis, Minn., and Miss Mary C. Perkins, of Burlington, Mass., who were guests at the Hotel Clarendon earlier in the season are again at the resort for a few days. The party are on their way north from Miami.

Mr. and Mrs. W. O. Briggs and little son Billy Briggs and governess, Mr. and Mrs. H. W Yawkey and Miss Emma Austin were a group spending yesterday on the Tomoka river trip. The picturesque river was never lovelier and the outing proved an altogether delightful one.

Mr. and Mrs. W. A. Bunn, of Peoria, Ill., were luncheon guests of Mr. and Mrs. A. E. Aeby, of Brooklyn, N. Y., who are late guests at the Hotel Clarendon.

Late guests who expect to spend the first part of April at the Clarendon are Mr. and Mrs. John W. Green, well known society people of Knoxville, Tenn.

Taking hampers filled with delectable picnic luncheons Mr. and Mrs. F. F. Proctor and Miss Etelka Riley, of Larchmont, N. Y., made the Tomoka river trip yesterday, the beauty of the famous river proved a revelation to the northern visitors.

The automobile contingent at the Clarendon was augmented Tuesday by the arrival of M. C. Honeywell and Miss Edith Vigus, of Wabash, Ind., The two are delighted with the beach drive and expect to prolong their visit in order to enjoy the many picturesque highways around Seabreeze.

Mrs. C. S. MacFarland, of Mountain Lakes, N. J., and two children are enjoying a several days stay at the Clarendon on their return northward from the more southern resorts.

Mr. and Mrs. J. A. Taylor, of Atlantic City, N. J., are among the many stopping at the Clarendon en route north, after spending the winter at points south of Seabreeze.

The Lotus grill was the scene of several charming dinner parties Tuesday night, the largest of which was that given by Mr. and Mrs. E. L. Potter who entertained twelve guests.

Mrs. Wells and children will remain at the Despland until the close of the season.

Mr. and Mrs. J. B. Taylor and attendants, of Watertown, N. Y., who have been guests at the Ridgewood for the past ten days, went to St. Augustine on Tuesday to spend a short time at the Ponce De Leon 'ere returning north after a pleasant winter spent at points of interest in Florida. THE SEABOARD T. P. A. RETURNS TO BUFALO

Geo. H. Stagg, traveling passenger agent for the Seaboard Air Line railway, who had been a guest at the Oaks hotel for several weeks past, while looking after travel northward over the Seaboard, departed this morning on his return to Buffalo, N. Y., having been called north to make a western trip.

Mr Stagg, who was stationed here for the first time this season, took quite a liking to Daytona and says he hopes to return next season. He made many friends while here who will be equally pleased to see him here again. Mr. Stagg had [been] Tampa, St. Petersburg and [other] points, but says Daytona [appeals] him more strongly than any [other] even though he was alone [his] family not being with him. Mr. Stagg is also traveling [passenger] agent for the Niagara Gorge [route] with headquarters at Niagara [Falls] New York.

Geo. W. Bryan, of Bryan & Company, of Jacksonville, contractors who installed the sewerage system in this city, was a Daytona visitor from the state metropolis Wednesday.

DR. G. K. VLIET SHOWS PROPER INTEREST IN VICTIMS OF ACCIDENT

Dr. G. A. Klock called at the News office yesterday evening and stated that in justice to Dr. C. K. Vliet, who was driving the Hudson car at the time of the collision with the Ford on the ocean beach which resulted in the death of D. A. Cairns and injuries to Mrs. James Connor, he wished to say that Dr. Vliet had called at the hospital several times to inquire about Mrs. Connor's condition and seemed desirous of doing all that could be expected under the circumstances. Dr. Vliet was, he said, still at the hotel in Daytona Beach, at which he had been spending the season. Dr. Klock further stated that Mrs. Connor was improving and would probably be able to leave the hospital in a few days.

Dr. Vliet himself called at the News office today to leave his address, as he was planning to leave Daytona Beach tomorrow for Clermont, where Mrs. Vliet has an uncle, George Stevens. Mrs. Vliet, who has been an invalid for two years, was injured in the accident, Dr. Vliet says, and has been confined to her bed ever since that deplorable event. Dr. Vliet further stated that he felt himself clear of blame in regard to the collision, as Mr. Cairns was attempting to pass to his right, or between the doctor's car and the water. Dr. Vliet says that, realizing this would bring them together, he, at the last moment, cut his car to the left, but Mr. Cairns at the same time changed his mind and turned sharply to the right, bringing the cars in collision and striking the Hudson between the front and rear wheels. Dr. Vliet's home address is Spotswood N. J. He was formerly from New York City.

Toronto guests at the Despland for the remainder of the season are Mrs. John S. Ellrate and M. J. Ellrate, who are enjoying the attractions of Daytona to the utmost.

If you see it in the News, its so.
